The Muslims were tolerant of the other monotheistic faiths. So that Jews rose to high position in Islamic lands at a time when they were scarcely permitted survival in Europe (16/368).

One of the young daughters of the former President wrote in her book, Souvenir, that she could not make any love affair during her stay in the White House as there was nothing she could do in private. She had made up her mind not to marry while she lived in the White House. She asked the reader to consider the effect of saying good night to a boy at the door, in a blaze of floodlights, with a Secret Service man in attendance. There is not much you can do except shake hand, and that's no way to get engaged.

Nurture, not nature, is responsible for criminal behaviour.

Crime and Human Nature
by Prof. James Q. Wilson and Prof. Richard Herrnstein Published by Simon and Schuster, New York

اسكتّبْ كا كـحِ

Criminals tend to be now-oriented personalities, which make planning or even thinking about the future difficult.

准 كر كـ

بي

It is a question for us now to consider whether we have any personal relations towards the Supreme Power; whether there exists another world in which we shall be requited according to our actions. Not only is this a grand problem of philosophy; it is of all questions the most practical for us, the one in which our interests are most vitally concerned. This life is short, and its pleasures are poor; when we have obtained what we desire it is nearly time to die. If it can be shown that by living in a certain manner, eternal happiness may be obtained, then clearly no one except a fool or a mad man will refuse to live in such a manner (p. 414).

I am getting the 'Al-Risala' monthly regularly, thanks to the kind gift of Mrs. T.R. Sherwani. It is a wonderful publication, bringing before us the universal truths in simple easily understandable language. It opens windows of inspiration. I request each reader to gift this publication to at least one friend, so that the message in 'Al-Risala' can spread $\}$ et further. I therefore, enclose Rs. 36/-by draft and request you to enrol Shri Ak Shobh Singh, Kashipur House, Ayarpata. Nainitat 263001 as a subscriber. Thanks, yours faithfully,

Dr (Mrs) Karnak Bhargava MBBS. Ellesmere, Nainital
 ن

just a line to thank you for sending me Al-Risala so regularly. For one reason or the other 1 am the recipient of a large number of publicaions; and cannot really digest them along with my general reading. So 1 have not been able to pay much attention to Al-Risala so far; but I had some time today, and read your July No 30 issue through. I was impressed by its tone and contents and its clear and unostentatious style of writing. Thank you. With kind regards,

## MUHAMMAD

## The Prophet of Revolution

By<br>Maulana Wahiduddin Khan

In making the Prophet Muhammad the greatest figure, and consequently one of the most resplendent landmarks in human history, God has bestowed his greatest favour on mankind: Whoever seeks guidance cannot fail to see him, for he stands out like a tower, a mountain on the horizon, radiating light like a beacon, beckoning all to the true path. It is inevitable that the seekers of truth will be drawn up to the magnificent pinnacle on which he stands.
